Student ID Number	_____
School Counselor	_____

Dear Student and Parent/Guardian:

Instructional staff for next year is hired based on the courses you select during the academic advising and course selection period this year, so please plan carefully. Review the subjects that are checked and confirm that they satisfy your child's graduation requirements and educational plans. Indicate alternative selections in space provided. Additionally, course offerings are dependent upon enrollment. Please know all course selections will be discussed with and reviewed by the school counselor to ensure appropriate placement.

- ❖ I have read the requirements for each course selected, including Honors (HN), Advanced Placement (AP), Advanced (AV) and Dual Enrollment (DE) course(s).
- ❖ I understand the expectations for the quantity and quality of work involved in each course selected.
- ❖ I agree with the courses selected and understand that the student is expected to remain in the selected courses, for the entire school year and specific teacher requests are not honored.

Academic Advising and Course Selection Timeline	
Before March 14, 2025	Requests for course changes will be honored if space in class permits.
March 15 – June 03, 2025	No course request changes will be permitted.
June 04– 11, 2025	Email communication will be sent to families regarding course requests. If space permits, course request changes can be made through your child's school counselor. Course request changes will be made **only** to resolve conflicts, to accommodate credit requirements, and/or because student has failed to meet prerequisite(s).

🚌 Signifies Academy courses which are taken at Chantilly (C), Fairfax (F), South Lakes High School (SL), Edison (E), Marshall (M), Fall Church (FC), or West Potomac (WP) for 1, 2, or 3 credits. Students must apply and receive a seat in their selected Academy course. Please talk to your school counselor about the Academy course you are interested in.

DE Signifies a Dual Enrollment course offered through Northern Virginia Community College (NOVA). Specific criteria must be met to be eligible for college credit.
